**My mum is Sue and my dad is Steve.  
And my grandparents are Carol and Bob.  
the names of my brother and sisters names are  
Georgia and Jackson.  
We called the pets lasie and jazza.**

**I really enjoy my sport and I am really  
competitive.  
All sorts of thing make me laugh even for long  
amounts of times nearly five minutes.  
When I do funny things or tell funny jokes  
everybody starts to laugh.**

**I don't like school work.  
And I'm not perfect at it either.  
annoying people can make me sad and  
unhappy.  
I'm afraid of the dark.**

**My daily motto is go for gold or go home.  
I don't want to get in the castle this year.  
when I grow up I'm going to be a All black.  
and I want to invent hover boards.**
