

Jordan

My name is Jordan and my parents are called Janet and Robert and my grandparents are Messepa and Michael my siblings are Paris and Hanz.

I enjoy playing games I am good at games and activities.

Stuff that makes me laugh is my friends and cousins making up funny things and I make others laugh by making up jokes.

I don't like detention and I'm not good at spelling .

Stuff that makes me sad and unhappy is having no friends and I am afraid of snakes.

My daily motto is its worth doing it do it well and I will want to achieve my spelling and maths. When I grow up I would want to join the army and I would like to invent a robot that does chores and homework.
