

Lochie

My name is Lochie and these are my parents Elizabeth and Malcolm and I like them.

I have two sisters ones 11 and the others 5. The 11 year old is Katie and the 5 year old is Anna they can be a little annoying.

These are my budgies names, Milkshake, Rainbow, Blueberry and little Tweet Tweet. These are our rabbit's names, Brownie, Shadow, Chocolate and Thistle.

At school I really like doing maths and sport because I'm good at them.

I would like to invent some thing that can tern into anything.

I would like to be a soccer player when I grow up.
