

Zara Sophie

I live with my parents Leanne and David and my sister Jessica.

I have one step brother called Harrison and two step sisters called Lucy and Kimberley.

I have four pets there names are Leo, Goldie, Minnie and Stella.

In my spare time I love doing dancing and hanging out with my friends.

What makes me laugh is when people are funny.

I don't like bugs or spinach.

I am very afraid of bugs and spiders.

This year I want to achieve to get better at maths if I had to invent something it would be a flying machine that makes you fly. when I grow up I want to be a vet or a dancer.
