

Pablo Picasso

Pablo Picasso is posing for a photo in Spain at the moment, because it will be in a magazine and he will get paid for it. Pablo lives in Spain as well. He has one sister called Julia who is twenty eight and one brother who is called Matthew and he is thirty two, his parents are living in Hawaii because they think it is a nice place to live, their names are Grace (mum) and Mark (dad). Pablo is an artist. He is fifty eight years old.

He isn't very tall because his dad is short and he weighs ninety kilograms. He has an average weight. Pablo has a lot of wrinkles. He is bald . He has big eyes, and a very deep voice. His skin is Pale & wrinkly. Pablo loves compliments about his work because it makes him feel happy. He also loves making art. But he hates being angry because it makes him feel sad.

He laughs at people who tell really funny jokes. And he gets sad when people don't like his art because he is scared that when he shows his piece of art to other people they won't like it either. Pablo would like to achieve making a good piece of art. He is afraid of getting shot and this is because some of his friends carry guns, they carry guns because they are security guards. Pablo is really friendly. He is thinking about going for a walk because he likes to exercise, he will be going for a walk next. He admires Leonardo Da Vinci because of his famous painting 'The Mona Lisa'. He would like to visit his parents one day because they live so far away from him!

Kaylah.
