

Jean Cocteau

Jean Cocteau lives in France.

Jean's brother is called Dan and he doesn't have a sister and Dan he was a ninja and he lives now in Japan because he could not get a job in France and in 2 months he's coming back to live in France. He teaches ninjas and a lot have succeeded because he's a very good teacher.

Jean Cocteau is very tall and very thin. Jean is strong and fit and his skin is white and his hair is very curly. He weighs 50 and he is light. His face is crinkly and his eyes are deep blue His voice is low. He likes to explore because it's his job.

A knock knock joke makes him laugh. Jean will feel successful if he is nice and happy. He likes to explore in the deepest bit in the ocean than any thing else. His mum dad or brother dies it makes him sad. He is afraid of dying because he watches scary movies He is very clever and an intelligent sport man because he works hard.

At the moment he is in France. At the moment he is thinking what he is doing. Jean is doing work at the moment. He is going home next Jean Cocteau is a famous explore.
