Louis Armstrong is a tall thin person. His hair is short, hard and it's black. Louis's eyes are dark green and his skin is brown with wrinkles. He has a very low voice.

Playing jazz is one of his favourite instruments. He likes to play guitar as well. He likes to play guitar and jazz because they are his favourite instruments. He makes people laugh by jokes plus jokes make Louis laugh. He really hates stupid people because he thinks they are too annoying.

Louis Armstrong wants to achieve being a good person. He is afraid of dying because he doesn't want to waste a whole life. The thing that makes Louis Armstrong sad is sad music because it's quiet emotional.

In the moment the place Louis is at is a photographer place in America. The reason why the photo was taken at America is because he lives in America and he is thinking about his family.
