

## Audrey Hepburn

Audrey is 25 and she is an actor and she comes from a small part of England called Eastbourne. She has two sisters who are younger than her called Anna Mary and Caitlyn Lisa they are nice. She has one brother who is older than her called Mathew James who is respectful. Her mum and dad are divorced but her mum is caring and is called Lisa Mary and her dad is mean and jealous of her fame he is called James Mathew.

Audrey is short, light and thin. She has green eyes and smooth black hair and she wears her hair up all the time. She has no wrinkles she has pale skin but she does not use cream.

Audrey's house has 15 bedrooms and 12 bathrooms it is five stories and Audrey's bedroom is the biggest and it has a walk-in wardrobe and a bathroom. Her mum got the house made for Audrey and her siblings when her parents got divorced.

The thing that Audrey hates is being fussed over. And cheetahs are what makes her scared. Mean people are what makes her sad and her baby cousins are how are 4 months and one year old they are what make her laugh they are called Maddie and Milly. Audrey is a friendly happy and clever person. My character is in England at the moment and she is posing for the camera. At the moment she is thinking about her little sister the next thing she is going to do is see her baby cousin.

Anna.
