When Henri is not busy he likes reading books and looking at photos. He laughs when he plays tricks on his little sisters. He wants to achieve taking a photo that everyone would like it. Henri is friendly and likes meeting every one. He is very, very clever. He knows all of his times tables. He some times has night mares about he was taking a photo and a month later no one liked him because he took a bad photo. He hates seeing people that are sad. He's afraid of cows and most afraid of bulls because Kelly got hit by one and got a broken leg and arm.

At the moment he is in Scotland getting a photo of the Loch Ness monster. He has just take in the photo of the Loch Ness monster that is why in the photo he looks so shocked. He is thinking at the moment so the Loch Ness monster is real!!
