

## Aldous Huxley

Aldous Huxley. Aldous writes stories about his life. He has a brother and sister called Destiny and Simon are 15 and 38 .His family helps him with his books. He comes from the United States of America.

He is 6 feet tall he is very thin. His face is soft. Aldous has bushy curly black hair that comes down to his neck. Mr Huxley has shady hazel brown eyes and little red round glasses .He has Wrinkly old skin and a loud deep voice.

Aldous is very smart and loves jokes they make him laugh. Aldous is likes mastics in his books. Or people ripping his books it makes him sad because we will have to write another book. He wants to be the best writer in the world. He is afraid of the dark and monster because they are big slimy. He is friendly and clever. Aldous is in his office thinking of writing another story and while he is doing that he is sharping his pencils.
