

Henri Matisse

Henri comes from France.

Is famous for his paintings. His eyes are aqua as the grass. He has a deep booming voice like the kakapo.

Henri Matisse loves animals. If an animal dies he will be sad. Henri laughs at birds. Henri wants his paintings of him and animals

Henri is a very stubby man. He is a little bit fat like a moose. His hair is prickly like a cactus.

skin is as brown as the lion's mane. He is around 70kgs. His face is brown and crinkly to break an art record.

He is at home in his house in the living room He is thinking of doves because he has to look after the one in his hand. He is holding a dove but gently because it is very delicate. He will be putting the dove in the cage in the future.

he is a peaceful man
