

Albert Schweitzer.

Albert is a writer and musician from Germany. He has a mum but his dad died in a car crash and no cousins he's an only child.

Albert is 6.2 ft and is 92 kg and bit wide. He is hairy and has a lumpy nose. His hair is thick and wavy , and he has blood shot eyes from swimming a lot and Harry Potters glasses.

Albert's skin is clammy his voice is deep, and he loves chocolate milk but not the taste of chicken. He laughs when people burp, Albert is hard to make sad ever since his dad died.

He is arachnophobic (scared of spiders) but he wants to get over it. He is a cunning man, Albert is in Germany at the moment, he is thinking about World War 1 because his uncle+ died in World War 1. Albert will conduct a orchestra soon because it is fun.
