

Could you be.... A 'Friend' of the PTA??

The school parent/teacher group currently compile a list of families who would be willing to occasionally help out with social events and activities that the PTA are organising for our school.

We want to make it fun and easy for people to be involved, so if you would like to be one of these people, please put your contact details on the form below and return this slip to your child's classroom or to the office.

Please note: You will not be called on every time we have something organised AND you are allowed to say 'no' if it doesn't suit you to help at a particular event.

If you have any questions contact Lynette Anquetil on 2330972 (hm) or 2373413 (wk) or email her at lynettea@hotmail.co.nz or contact Lesley Whiley on 2341202 or email her at whileys@ihug.co.nz

THANKS!!
