

## Paremata School Spring Bulb offer and fundraiser

It's an unusually warm autumn; however, sure as the days go by, after winter there is spring!

In advance of our Spring Gala (Saturday, October 15), and with the support and generosity of Palmers Plimmerton, we're selling a variety of Fiesta spring bulbs ready for planting now.

The following bulbs are available:

- Daffodils
- Tulips
- Freesias
- Irises
- Gladioli
- Brodiaea
- Anemone
- Hyacinth
- Tritonia
- Ranunculus

They are selling for \$8 a packet, with all profits going to Paremata School.

There are usually 5 bulbs to a packet, depending on the type of flower; some types (Iris, Ranunculus, Brodiaea, Tritonia, Freesia and Anemones) have more. Email [paremataschoolpta@gmail.com](mailto:paremataschoolpta@gmail.com) for specific details about colours, varieties and numbers – or go for lucky dip! First in, first served; if your first options go, we'll let you know what's left.

Plant your bulbs, watch them grow and wait for those colourful blooms to appear – we'll provide tips for planting and care on Paremata School Community's Facebook page.

Order by either:

- returning the form below together with cash payment in an envelope, to the office
- emailing [paremataschoolpta@gmail.com](mailto:paremataschoolpta@gmail.com) with name, order details, child's name and room, contact phone number and pay by internet banking to the school's bank account 12-3254-0048796-00, with the reference "Bulbs".

**Orders close Friday May 27**
