### Online Learning

Thank you to all the school community for supporting your children with their online learning. We know this is a very intense time juggling work responsibilities, school and family life. The teachers are also finding it a massive workload getting through zoom meetings with their classes as well as dealing with their own children's education and supporting elderly parents. Please just complete what you can at home; we certainly do not want families feeling under pressure. We know you are all doing your best.

### In-School Class

Our Covid-19 Alert Level 3 school class opened today and the children have been an absolute pleasure adapting well in a very unfamiliar scenario. They have been working online and being very sensible with their social distancing.

### Photos of Online Learning

We would love to share some photos of your tamariki working online at home so if you are happy for your children to be in the newsletter, please can you email the photos to Marie at [office@paremata.school.nz](mailto:office@paremata.school.nz)

### School Driveway

The MOE has approved the resealing of the "Collins Crescent" drive-through and staff car park in the July holiday break. We can all look forward to a smoother and less pot-holed experience in Term 3. Thank you for your patience with this.

### Covid-19 Information

Attached is information for keeping yourself safe if you need to visit the school.
