Parent, Teacher, Child Conferences

Thank you to everyone who came in and met with the teachers in the past week. It is always very beneficial for the children to show off and talk about their work and we appreciate everyone taking the time to do this. If you have not managed to make it in, please contact your child's teacher to make a time to catch up.

School Markets

Our August market is on this coming Saturday. Many thanks to those parents from the Kauri Team who are providing home baking this month. We have a lot of great produce for sale including vegetables, eggs honey and the wonderful school tea towels. Please come down and support the school fundraising if you can. As always many thanks to our market committee for their hard work and great organisation.

Year 7/8 Leadership Awards

Congratulations to Madeline Griffiths and Makayla Webb who won Leadership Awards with the Rotary this week. Well done to you both you have made us all very proud!

Parking at the Mobil

Unfortunately, the Manager of the Mobil Station is still having problems with our school community at 3pm pick up times and it is effecting their business as customers cannot get in to fill up with petrol, put air in tyres or vacuum their car. We have a great relationship with all the businesses around school so we don't want to upset them any further. Please do not use the Mobil at 3pm as a parking place for school pick-ups otherwise they will have no choice but to clamp cars parked illegally or in an unsafe place. Thanks for your support.

HISTORY OF PORIRUA BUS TOUR

Last week on the 4th of August, Room 14 went on a History of Porirua bus tour. We learnt about all the battles, wars and fights that happened in Porirua in the past. We travelled to Te Korohiwa the old whaling station in Titahi Bay, Parramatta Barracks at Ngati Toa

Domain, Taupo Pa in Plimmerton and Matai Taua, Te Rangiheta's fighting Pa at Pauatahanui. I enjoyed it because we got to go all over Porirua and explore the land. **By Helena Rm 14**

Because I live in Plimmerton, it was really cool to hear all about the local history. I thought Linda was really great at explaining things to me and giving lots of great explanations. My favourite stop was the barracks because we got to see the ruins and figure out where the doors were. It was amazing to imagine the way things were. When I grow up and have kids, I will tell them all about this! **By Bacardi Rm 14**
