Covid -19 Alert Level 4

No doubt like us, you were all taken by surprise by the quick escalation of the alert level last night for hopefully only the next 3 days. Teachers will be in touch via Seesaw and e-mail to check in with the tamariki with ideas to keep the learning fun at home this week. If the lockdown gets extended into next week we will contact those families with 3 or more siblings who may need extra devices at home. We understand parents are also juggling work responsibilities with child care so we will ensure that the online programme is not too onerous to supervise. We will continue to be in touch with our School Community as new information comes in. Take care.

Asthma Show

Last Thursday actor Chris Sam put on a fabulous free show for the tamariki all about Asthma. This was very engaging for all the year levels, funny and informative and gave the students a greater understanding on how Asthma effects so many people.

School Market

A big thank you to Michelle Griffin and our school markets committee for running another successful event last Saturday. Each market is raising close to \$1000 for the school which is fantastic fundraising. Thank you to everyone who came down to support the team on the day. *The next market is on Saturday 11th September.*

Parking at the Mobil

Many thanks to those families who are now not using the Mobil Station for 3:00pm pick-ups since last week's newsletter. This is much appreciated by the Mobil Staff. We have a great relationship with all the businesses around school so we don't want to upset any of them. Please do not use the Mobil at 3:00pm as a parking place for school pick-ups otherwise they will have no choice but to clamp cars parked illegally or in an unsafe place. Thanks for your support.
