#### **Planning for a Covid outbreak at Paremata School**

The BOT have discussed a plan on how we would keep everyone safe, if or when we get a Covid outbreak at our school. While the MOE have their own guidance for schools remaining open in a Covid outbreak, we will take measures that will keep our entire community safe.

Paremata School will follow the Covid-19 contacts Phase 2 plan – please see attached. This current plan may be revised and updated at any time.

If a child or staff member presents with Covid, the school would switch to online learning for the next ten days. This allows the school to evaluate any spread. We would expect those who were close contacts to be tested at day five. The online learning would be extended as needed, if other cases were reported.

Any confirmed cases would have to present a negative test before returning to school.

During the ten day online learning stage, information on Covid cases within the community will be used to evaluate whether the online learning period will be extended or the school returns to classroom learning.

It is very important that we have your correct contact details. Please make sure both e-mail address, home address and cell phone numbers are up-to-date.

#### **Meet the Teacher Evening**

Due to Covid-19 and the red light stage, we cannot hold these this year. If you have any concerns or wish to contact your child's, please email them directly.

#### **School Donation Scheme**

Statements were emailed out yesterday. If you have any queries or did not receive the email, please contact Michelle in the office on [michelle@paremata.school.nz](mailto:michelle@paremata.school.nz) Thank you to all those families who have embraced the family contribution donations that came into effect last year. With the school unable to participate in the MOE Donations Scheme due to our decile rating, we have to rely on family contributions from now on for all extra curricular activities. Your support is very much appreciated. Remember that all donations are eligible for tax credits from the IRD using an IR526.

#### **Absentees**

Please remember we have an email address for advising the school of any absentees/appointments etc. Please email the teacher and copy the email to the office on this address

[absent@paremata.school.nz](mailto:absent@paremata.school.nz). You can still leave a message on the school phone by calling 233 1339 and press 1. Please can you call in before 9:00am. Late children **MUST** sign in when they arrive at school.

## Enrolments For 2022

If you have a child turning 5 this year and you haven't yet enrolled them, can you please contact Marie Arlow in the office as soon as possible to organise enrolment. We already have a large number of 5 year olds starting this year and are full for any out of zone enrolments in the first half of the year. (Siblings of children already here are automatically accepted, but still need to fill out an enrolment form).
