Tough Guy and Gal Challenge

All the very best to our students taking part in the Mud Challenge tomorrow. Many thanks to Phil Roache for organising the teams for this event. We look forward to seeing some awesome muddy photos.

No Parking Please

Unfortunately, we still have some parents/caregivers who are parking in our local business's carparks or forecourt. Hair by the Sea, Fire Compliance Services and Mobil have all contacted us asking if we can comply with the rules and not park in these areas.

Cross Country Student Fundraiser – Wednesday 1st June

Many thanks to all the parents who have offered to help with cross country on the day and to the Kauri team for their fabulous organisation. Please come along to watch if you can make it.

Thank you also to families who are already supporting this fundraiser and have deposited money into our account. The Cross Country is next week and all the children are getting fit ready for the day. The timetable for approximate times the children will be running is below.

This year we are fundraising for new classroom IT equipment. Sponsorship forms are available from the office (also attached to Week 2's newsletter email). The school bank account number is 12 3254 0048796 00, with student name and cross country as reference.

School Donation Scheme

School Statements for the Family Contribution were emailed out last week. Thank you to all the families who have already contributed to the donation scheme. Your support is very much appreciated. All donations are eligible for refunds from the IRD using an IR526 form. Please contact Michelle in the office if you have any queries.

AOTEA COLLEGE - BECOME A HOST FAMILY

Aotea College is excited to be welcoming International Students back!

With the return of International Students, we are now looking to expand our pool of homestay families, for both short term and long-term hosting.

Why host?

Hosting a student is an enriching experience for both yourselves and the student. You'll experience a true cultural exchange, sharing knowledge of your culture whilst learning about the many different cultures represented by our students. Often host families build lasting relationships with their students

What is expected from host families?

- Involve their student in their life, spend time talking with their students to give them confidence speaking in English and treat them as a member of the family.
- Be caring and understanding, patient but able to set boundaries
- Show their students how to get to and from school (e.g., where the bus stop is, how to access the bus schedule, how to walk to school).
- Provide three meals a day and snacks (including a packed lunch during the school week).
- Provide a furnished bedroom
- Provide bed linen (sheets, pillow, and blankets) and towels
- Provide wifi

What we provide

Aotea College has a well-resourced International Department, with a Homestay Co-ordinator who is able to provide you with advice and support.

Homestay families are paid a weekly fee which is reviewed annually.

For more information about hosting a student please check
