Self-Defence

This week we are again lucky to be able to offer the fully funded course "**Girls' Self Defence Project**" to our Year 4 and Year 8 girls. The overall objective is for girls to uplift each other and empower themselves to live safely. Students will learn to think confidently, speak strongly and be able to use self-defence skills / techniques when necessary. Much of the course is taught through games and stories. There is also a small physical component. Welcome to Sally Aylward who has been taking our girls for these courses.

School Disco

What a great night everyone had last Friday at the school disco. A huge thank you to Anna McCausland and her crew and Ian our awesome caretaker for getting everything organised. The Disco raised just over \$2,000 which is just fantastic. This money will support the Parentlink fundraising goal of playground enhancements in the Year 3/4 section of the school which is about to be upgraded.

Parent Teacher Conferences

Many thanks to all our school whanau who met with the teachers in the past two weeks. If you haven't managed to have a korero, please do make a time to meet with your child's teacher if you can.

Whittaker's Chocolate Fundraiser

Payments can be made online into our bank account 12 3254 0048796 00 – please put your child's name and chocolate as reference. Payment can also be made in cash and by eftpos at the office. (there are more boxes in the office to sell if you wish)
