

Make a difference! Ki Te Whakapiki!

Paremata School Board of Trustees Update
4 May 2016

Have you ever considered joining the Paremata School Board of Trustees?

Being a school trustee is a rewarding and tangible way of making a difference and contributing to the governance and direction of the school.

We need people who have the skills to ask the right questions and to make the necessary decisions to ensure our school provides an environment that enables every student to achieve their highest possible educational potential. If you are committed to our school and are willing to listen, to have an open mind and to question then you could be a school trustee.

This really is your opportunity to contribute to your community and to be involved in your children's education in a very practical way.

The school community elects a Board of Trustees every three years and the election is rapidly approaching:

Nominations close at noon on	Friday 20 May
Voting papers are sent out	Week beginning Monday 23 May
Voting closes	Friday 3 June
Board takes office	Friday 10 June

Interested or just need more information?

Nomination forms are available at the office.

If you want to know more about the role and functions of a Board of Trustees there's lots of information available on www.trustee-election.co.nz. Alternatively pop into the school office and speak to Bryce or Christine or contact any of the existing Board members. We're happy to share our experiences and might even shout you a coffee!
