Gala Helpers needed for Outdoor Food

With our 2017 Spring Gala fast approaching in October Jo Gibbs and the Gala committee are working very hard to make the day another big success. Currently we need another 28 people to work a shift on outdoor food. If you are available to help on Saturday 28th October please can you email the PTA on paremataschoolpta@gmail.com or check the *Helpers List* on the School website. Many thanks.

Gala Raffle Tickets

If you have been given raffle tickets and are unable to sell them, please can you return them to the office as soon as possible and we have many families wanting to sell more. All sold butts and money need to be returned to the office. Thank you for your support with this fundraiser.

Enrolments For 2018

As we will soon be looking at our numbers for 2018 can you please advise the office if:

- Your child is leaving Paremata School and isn't a Year 8.
- If you have a child starting in 2018 and you haven't yet enrolled them. Please pick up a form from the office. Siblings of out of zone children will be accepted but still need to fill in an enrolment form.
- Out of Zone enrolments close on the Friday 29th September 2017.

NETBALL

Congratulations to all our netball teams on the final game of the season. Prize giving date is to be confirmed.

YEAR 5&6 PARUMOANA SWIMMING SPORTS

On Wednesday 23rd of August the year 5 and 6 went to a swimming competition at Cannons Creek pool and were racing against other schools. We had races with other people from other schools and also relays. We had some awesome swimmers that came in first place but sadly we only had one relay because we didn't have enough people. However we came a very close second in that relay. Paremata School came fifth and did a really good job, they represented the school awesomely. By Sophia – Ruma Kakapo

YEAR 7&8 PARUMOANA SWIMMING SPORTS

On Wednesday 30th of August a group of 5 students went to represent Paremata School at the 2017 Parumoana Swimming Sports. Everyone did really well including Dannielle getting into all finals for her events, coming 2nd in 50 freestyle and 25 Butterfly and getting 3rd in 50 Backstroke. Ashlee was really close to the Backstroke final getting first reserve, with Logan, Aimee and Hazel doing really well. The year 7 girls relay team got 2nd, 63 milliseconds off first. The day was really good fun with Paremata finishing 6th out of 8 schools and having the smallest team. Next year we want more people to come and join the team! By Dannielle – Ruma Pukeko

ENVIRONNEWS – BEE AWARE MONTH 2017

September is Bee Aware Month and this year the New Zealand apiculture industry is urging Kiwis to

Feed the Bees!

Everyone can, and are encouraged to, pitch in to help feed the local bees by planting 'bee friendly' plants in our gardens, on our farms, in our public gardens and even along our roadsides. "The idea for the 'Feed the Bees' theme stems from the fact that not many people realise how important it is to plant food for bees," says National Beekeepers Association chief executive, Daniel Paul. "We need to plant bee friendly plants for them to feed on, and also be careful with our use of pesticides and insecticides." Mr Paul says the industry is thankful for the help of De Winkel yoghurt, which is again on board as a Bee Aware Month strategic partner to help raise awareness of this vital cause.

Palmers are also proud supporters of **Bee Aware Month**, so keep an eye out in store and online in September for bee-related activity including stories, how to guides, recipes, competitions and loads more! For more information on Bee Aware Month, including how you can feed the bees this spring, visit www.nba.org.nz/beeawaremonth

Imagine a world without strawberries, kiwifruit, apples, nuts, coffee, chocolate or even denim jeans.

These are all foods and products pollinated by honey bees. Bees around the world and especially in New Zealand cannot survive without our help, and in turn we wouldn't survive without them. So not only do bees produce a wonderful, natural food source, they also play a significant role in supporting our food chain. This year we want to shine a spotlight on the role bees play as pollinators of our food and other products we consume.
