Our theme for this year is: *"Alofa atu nei. Alofa mai taeao – Kindness given. Kindness gained"*.

School Cross Country

Due to the inclement weather we had to postpone the Cross Country until tomorrow. Hopefully the weather will be clear and the children can compete. A big thanks to the Year 5/6 team for all their great organisation. Fingers crossed for a great day that's not too cold.

2018 Community Consultation

The BOT have finalised the 2018 community survey in conjunction with Te runanga o Paremata our Tamariki parliament. Your feedback about the school is very important to us for shaping our strategic planning from 2019-2021. You can find the survey on this link <https://www.surveymonkey.com/r/QQZ2JH6> which should only take approximately 10 minutes to complete. The link is also on our school website and hard copies are available at the office. Thank you to all those parents who have already completed this.

New Pedagogies in Deep Learning Parent Evening – See information on page 3 of newsletter

On Tuesday June 5 we are holding a parent evening to share an overview on what our Deep Learning Curriculum is all about. We have been working with Core Education over the past 2 years and have been reshaping our curriculum so it relates to 21 Century learners. The evening will have opportunities for parents to hear from Margot Mckeegan our Core Education facilitator and to visit a number of stations explaining the different facets of Deep Learning starts 6pm and will conclude by 7.30pm. See you there.
