Deep Learning Parents Evening

Many thanks to those parents who attended our evening on our Deep Learning Curriculum last night. It was great to share our vision and the positive effects it is having on school culture and student engagement. A big round of applause to Margot McKeegan from Core Education and to all the teacher and students for coming along and sharing their work with the community. Here is some parent feedback from last night collated by Christine Lock:

How can I support my children to enjoy real-life projects...?

- tell them to have a go!
- providing them with the tools for learning.
- encourage their natural curiosity

How can I support my child to improve their ability to make choices in their learning? And be able to act on this...?

- find out what they're interested in.
- know what's going on...
- give them choices
- take part in decision-making
- encourage critical thinking like, "what would happen if you did ... or did ...?" "Which is preferable"
- Encourage my child to ask questions and wonder what would happen if ...?
- Empower her to follow through with choices and experimentation.
- Ask questions - how; why; what would you do?

Head Knocks

Due to a spate of accidental head knocks both at school and at home I have attached a letter outlining the course of action that we are following to keep all the children safe at school. Thank you for your support with this.

Quiz Night

The marvellous Parent Link are organising the 2018 Quiz Night in July so please get your team of experts together for another fun night at the Supply Room. See more information below and the attached flyer.

Matariki Evening

Our 2018 Matariki Celebration is on Thursday June 28 starting at 6pm. Both Junior and Senior Kapa Haka groups will be performing. Information on tickets will follow next week.

Absentees

We would like to remind parents to report absentees and late arrivals by 9.15am. This saves our office staff a lot of time contacting parents to find out where children are. Late children must report to the office and sign in on arrival. Absentees and late arrivals should be left on the absentee messages rather than the teachers extensions. **To use this system, you dial the school number 233 1339 and then press 1 to leave a message. Thank you.**
