Teacher's Union meeting

Thank you all for your cooperation while we have these ongoing union meetings. While there is a lot of information in the media about salary levels the stalemate is more around working conditions regarding workload which the MOE are evidently not addressing at the negotiating table. Hopefully we will get a resolution very soon.

Before and After School Care fees

Unfortunately, due to a rise in operational costs we are having to increase the fees for using our Before and After School care service from 3 June. This is the first increase since April 2012 and information about the fees is attached to last week's newsletter

Creativity Day

The Year 4/5/6/ team are having a Creativity Day this Friday as part of their Deep Learning work. Many thanks to all the parents who have donated resources and or who are helping on the day. We really appreciate the support.

Kapa Haka rep team

Matua Todd has set up a Kapa Haka rep team with children from Paremata, Corinna and Rangikura schools. This is a great initiative and gives our children great opportunities to develop leadership and make connections with other tamariki in our community. Many thanks to Whaea Tia and our parents for supporting this worthwhile venture and we look forward to the performance at the end of this term.
