Flu in School

Thank you to all the families who have been keeping their unwell children at home, we appreciate your cooperation. While the number of absent pupils are reducing children are still showing flu like symptoms such as headaches, body aches, dizziness, running nose, sore throat and coughing. When e-mailing teachers saying your child is sick please can you copy this information to absent@paremata.school.nz our new email address for absentees. Thank you.

School Parking

Due to the increase of people using the Paremata Train Station we have had commuters using the Paremata Crescent school carpark for the day. This car park is now a tow away zone for anyone who is not a staff member or a visitor to the school so if you are coming into school and use the car park please register your car at the office when you arrive.
