#### Enviro News....

We have been very fortunate to have the opportunity to plant trees and shrubs this week. These plants were donated by the Department of Conservation and through our Enviroschools membership. A big thank you to school parent Oliver Hendrickson from DOC; Associate Principal, Caroline Lockyer; School Enviro leader, Jannien Kamphuis and Amanda Dobson from Enviroschools for all their support and organisation. The school field is going to look amazing. Ruma Kakapo also took part in a planting day at Bowler's Wharf yesterday. Many thanks to Ursula Leggett and the parents who went along to support the children on this outing.

#### Kapa Haka

We are having a busy week this week with two Powhiri and also hosting the other schools taking part in the Kapa Haka September Performance. Well done to our Kapa Haka group and the Ruma Korimako tamariki for their fantastic participation in the Powhiri and to Whaea Tia and Matua Todd for their ongoing dedication to our tamariki. Tino pai rawa atu!
