Alert Level 2

Thank you to everyone for the scanning and or signing in as you are coming into school. We really appreciate the support with the contact tracing so please keep it going. Also many thanks to those parents who are keeping sick children home. We do have a few nasty bugs around, including sore stomachs, sore throats and coughs/colds. Staff who are unwell with colds and flu will be away for a longer period as they all have to get a covid test negative result before being allowed back to school. This means relievers will be covering classes for a couple more days than normal. Let's all hope this latest alert level is short and sweet.

Assembly Postponed

Due to the Covid-19 alert level this week, our normal week 3 full school assembly has been postponed until Week 4 (next Friday 26th February).

Meet the Teacher Evening

It was great to see so many families at school last Thursday to meet their child's teacher. We are very grateful for the positive feedback and look forward to working with you on your children's education this year.

Year 5/6 Surf Life Saving Beach Education outing

The Kauri Team are off on their annual beach education trip to Titahi Bay tomorrow and next Tuesday. Many thanks to all the parents who have offered to support Rachel and the team at the beach- this is very much appreciated. The children always have a great time building their water safety skills. We look forward to seeing some photos from the day.
