School Markets/Fundraising

Many thanks to Kylie Wihapi, Kammi Borngraber, the PTA and those families who helped with the school markets last Saturday. Fundraising is a necessary part of life for a Decile 9 school and we really appreciate all the help we can get. Please contact Kylie and Kammi on markets@paremata.school.nz if you wish to book a stall for the next market in April. Remember the markets are being held on the second Saturday of each month so our next one will be **Saturday 10th April**.

We also have the **Wine Fundraiser** on now, orders need to be in by next Thursday 25th March. (more information below).

Year 7/8 camp

After a bit of a delay with the buses, the Kahikatea team finally got away to Whanganui on Monday. The weather has been great and they have a very busy programme this week. It sounds like the tamariki are having a fabulous time. We look forward to hearing all about the camp when the group returns on Friday.

Movin' March

It is great to see our tamariki supporting Movin' March and walking, cycling or scootering to school. See below for more information about Movin' March and some awesome competitions that are part of this programme.

Drive through Staff Carpark

Just a friendly reminder that the drive through must remain clear at all times in case of an emergency. Please do not park on the yellow lines behind the staff cars to collect your children as this creates a health and safety hazard. Thank you.

RUN JUMP THROW DAY – WEDNESDAY 23RD MARCH 9.00 – 12.40pm

Run, Jump and Throw day involves children participating with their house group peers in twelve exciting events. House Group members will be split into two groups for each colour. For example: Kahurangi 1 and Kahurangi 2. Teachers will let students know which house group number they will participate in closer to the day. *Parents/caregivers are welcome.*

Instead of a competitive focus, we will be looking for teams that show and promote our **6 Competencies**. Points out of ten will be awarded for:

- **Creativity** - How are you showing off your house colour?
- **Community and Citizenship** - Are you respecting each other and yourself? Are you respecting the equipment?
- **Collaboration** - Are you looking out for the younger members of your house group? Are you showing manaaki?
- **Character and Critical Thinking** - Do you show manahau and find ways to overcome setbacks or challenges?

MOVIN' MARCH

It's wonderful to see so many tamariki are walking, wheeling or biking to school. We're loving all the stamping of passports! Remember if you walk or wheel we'll put a stamp or sticker on your passport. All entries will be sent to GWRC and will go in the draw to win one of 12 x \$400 MYRIDE vouchers. Look out for some spot prizes on Friday morning too!

WOW Family Day

Our school is holding a special theme day on **26 March** and we encourage all families to walk or wheel – even if it's just for one day - over March. Give it a go and be part of our Movin' March celebration!

Live too far away?

If your family lives too far away, why not park a short distance away from the school gate and walk or wheel the rest of the way? For more information see our Park & Stride tips or try parking at Dolly Varden car park or Aotea Lagoon.

Whānau Photo Competition

Post your pic and comment on the weekly theme and check out what whānau said last week on *How walking or wheeling to school made them feel*. Week 2's theme is posted early Monday morning. Entries go in to WIN a family pass to Staglands Wildlife Reserve, Zealandia or a Micro Scooter. Fifteen prizes to be won, announced by 9th April. Go to the Movin' March Facebook page for more details.

CALLING ALL SCIENTISTS, TECHNOLOGISTS, ENGINEERS AND MATHEMATICIANS – WE NEED YOUR HELP!

Some of our students will be taking part in the Wonder Project Rocket Challenge next term. It's an amazing programme designed to get young Kiwis excited about STEM – science, technology, engineering and maths. The programme pairs STEM professionals with teachers to deliver the challenge and we need more volunteers to help our kids

design, build and launch water rockets!

Keen to help? It only requires 1 hour a week for 6–8 weeks during Term 2. The Wonder Project team provides everything needed so you don't have to be a rocket scientist to guide our students on the Rocket Challenge. We are looking for passionate and committed professionals working in STEM fields who want to make a real difference – and inspire wonder in the minds of young people in their community. Register online at wonderproject.co.nz

ENTERTAINMENT PUBLICATIONS – our ongoing fundraiser, a 12 month product from the time you order your digital membership. New deals coming up all the time.
