Alert Level 3

Well here we are now at Level 3 with our small class open today and our skeleton staff on site. I would like to thank all of our school community for all your support during this time - things have gone very smoothly over the past two weeks. We look forward to getting the school fully open at Level 2 during next week hopefully!

Online Learning at Home

Well done to all the children for keeping up the hard work with their online learning. We greatly appreciate the time parents are putting in supporting their children and we hope you have been enjoying being fully involved with our learning programme.

Garage Sale Donations

While you at home please feel free to bring down any donations you have for the Mega Garage Sale in October. Our caretaker is ready to stock up the container. We are happy for goods to be dropped off at the double gates on the main drive thru during school hours 8:30am-3:00pm. Thank you.

September Market

Due to the current Alert Levels, we will not be holding a market in September.
